

## Kaner and Berger's Gradients of Agreement

1	2	3	4	5	6	7	8
100% agree	Agreement with minor reservation	Support with reservations	Abstain	More discussion is needed	Don't agree, but will support	Serious disagreement	Veto
<i>"I'm all in."</i>	<i>"It's not perfect, but it works."</i>	<i>"I can live with this."</i>	<i>"This decision doesn't impact me."</i>	<i>"I need more information to make a decision."</i>	<i>"I don't like this, but I don't want to hold up the decision."</i>	<i>"I don't like this and do not support this decision."</i>	<i>"I block this and propose we start over."</i>

## Questions to Guide Decision-Making Discussion

- What are the facts of the decision?
- What data should we consider when making this decision?
- What does success look like?
- What would failure look like?
- Is there any information we are missing?
- Can we approach this decision differently to achieve better options?
- Do we understand this decision well enough to vote on it? (If not, continue discussing until answer is yes).
